***Check your most likely response to the following:***

While seated at a table in a cafe for lunch, you notice a folded \$5 bill in an inconspicuous spot wedged between the salt and pepper shakers. You would:

- ignore it, it's none of your business.
- pick it up and put it in your pocket.
- point out the \$5 bill to the waitperson when they come to your table.
- do nothing & hope the waitperson doesn't notice it so that they think you left it as a tip.
- leave it, if it is still there when you finish eating, you can use it toward your bill.
- other response \_\_\_\_\_
